BOOKING CONDITIONS

Deposit: Deposit must be received within 7 days of booking to reserve your party/event. \$100 minimum deposit required.

Deposit can be made by check or money order, OR by VISA or Master Card online at www.TacticalLaserTag.com.

Transfers & Cancellations: Your event may be canceled up to 14 days prior to your event and your deposit will be returned.

If Blue Ridge Battlefield Sports cancels the event your full deposit will be returned. You may reschedule with at least 7 days notice.

Weather Policy: Light rain (or snow) or patchy weather is acceptable and does not require cancellation of outdoor events.

Heavy rain (or snow) will require rescheduling or moving the event indoors. If no indoor venue or rescheduling is possible, the full deposit will be returned. You may contact Rodney Brown at 540-435-6678 to discuss weather issues before your event.

Physical Fitness: It is imperative that you disclose to Blue Ridge Battlefield Sports personnel any physical condition or illness that may limit or endanger yourself or others while playing Tactical Laser Tag. Any information that is given in this will be treated with confidence. Otherwise, it is assumed that participants are in good health and are of a level of fitness adequate for the booked activity.

Please realize that you do not need to be particularly fit to play Tactical Laser Tag. If you are in doubt of your ability to fully enjoy your adventure due to your fitness level, please discuss this concern with us when placing your booking.

Liability Release & Assumption of Risk: Please note that there are inherent risks in sports and outdoor activities. Each player is required to sign a waiver before play (minors must have their guardians sign on their behalf). Please print or copy enough waivers OR use the group waiver form. Both are available online at www.TacticalLaserTag.com. Forms must be completed before play.

If you have any questions regarding the booking procedures please contact Rodney Brown at 540-435-6678.
